From the Directors' Chair.....

First of all, I want to thank our friends from Chapter G2 in Greenville for honoring us with a visit at our last monthly Chapter meeting. It is always great to share an evening with our friends from other chapters, and we look forward to visiting some other chapter meetings in the near future.

By now, most of the fortunate's that will be attending Wing Ding 33 in Knoxville, Tennessee are finalizing the last minute requirements for what could well be a pretty "hot" trip. The weather is certainly looking to be above normal for the next few weeks. We hope that everyone will take all necessary precautions to ensure that the trip to Knoxville is a safe and enjoyable one.

We hope to see some cooler weather come our way, to allow us to get out and ride a lot more. It seems that our window for perfect riding weather (spring & fall) is continually getting smaller and smaller. Now is the time we will be planning more early morning and late evening rides – just to beat the heat.

We don't have a lot of long rides scheduled due to the heat, but if you get the urge to go – take a second and call around to see if there are any other chapter participants that might want to hit the road with you.

School is now out in most locations, so it is critical that as we are watching traffic even more closely than normal. Younger, inexperienced drivers are taking to the highway for summer activities, and they are usually focused on anything except looking for motorcyclists that may be sharing the road with them.

We look forward to seeing all of our GWRRA friends real soon.

Ride Safe!

Rick & Dorinda

# Chapter Talk

Here is what we did at the meeting Thursday, May 26.

Opened the meeting with the Pledge of Allegiance and a moment of silence. Welcomed out G2 guests. Made the announcement that Helen and Charles will step down as Assistant Directors and take the role of Treasurer. Announced the June birthdays and anniversaries. Reviewed upcoming rides that are on the calendar. No new ones were added. Charles and Helen Dunn filled us in on what happened at the District Convention. Found out who all were going to Wing Ding. Ed Neal gave a safety talk about Riding in the Rain. Helen headed up some games. Had 50/50 drawing and closed the meeting.

As far as the ride next Saturday, June 4th, we will not be able to make it and Helen commented that they will probably not make it either.

### UNDERSTANDING WOMEN

#### (A MAN'S PERSPECTIVE)

**I know I'm not going to understand women.**

**I'll never understand how you can take boiling hot wax,  
pour it onto your upper thigh, rip the hair out by the root,  
and still be afraid of a spider.**
